MISSION

To provide a wholesome dining experience, with top quality food and a staff that wants to exceed the customer expectations!

VISSION

To maintain a profitable operation that will continue our tradition of quality faily dining at a reasonable cost, in a comfortable atmosphere, with exceptional service

VALUES

We are in business to meet our customer's need.

We believe inempowering our staff to resolve customers concerns on the spot. We treat our employees as we want them to treat our customers.

We believe in continuing our family tradition.

We believe in the customer and by the traditionwe will continue to make a reasonable profit, that will allow us to remain competitive, healthy , community involved ,and a family resaurant where generation will continue to gather.

We seek your comments. we realize to exceed your expextations, we need to know what they are.

Your safety, healthy, comfort, nourishment and quality services are number "one".
